

Program Overview

To be effective and successful, managers must be self-aware of what they bring to the organization and their teams.

The Lead, Manage, and Grow Workshop focuses on the key skills, knowledge and abilities needed to be a successful leader, manager, and growth originator. The program offers a safe environment to try out the newly acquired skills or refine existing skills.

Created For:

Managers, supervisors, team leads or individual contributors looking to take that next step in their professional journey.

What You'll Take Away:

- Become a more self-aware, adaptive, and effective leader, manager, or supervisor.
- Utilize the 3Ps to manage, lead and supervise any project or team.
- Increase your self-knowledge related to what motivates you, what causes you stress, and how you solve problems.
- Manage more effectively by understanding others' behavior styles, priorities, and motivators.
- Skills for handling people management, delegation, time management, goal setting and feedback.

Post Session Learning:

As part of the program, you will receive one, 1-hour Coaching Session following the training.

Workshop Location:

We can come to your location or you can join a public offsite session. Go to www.eleven55consulting.com to register.

Workshop Fee:

The 1-day session along with a 1-hour follow-up individual coaching session fee is \$695.00 per person.

At **eleven55**, we strive to empower people to be their true self as a leader, teammate, or partner.

Our instructor led courses are based on experiential learning where you become the master of your own learning. Kind of like a DIY learning workshop!

And most workshops have follow-on coaching sessions included in your workshop fee – one more way we empower you to succeed.
